

CALL FOR PAPERS!

- Are you developing fresh innovative ideas for practice?
- Do you have ideas that apply collaborative, competency-oriented practices to issues of social justice?
- Do you have an interview with a prominent academic or a committed and innovative colleague that would be timely to publish?
- Do you have innovative ideas for supervision and consultation in collaborative practices?
- Are you conducting research in systemic or postmodern practices?

We are also inviting proposals for **Special Sections**, which include 3 articles written along a theme, plus an introduction. Send Special Section proposals to Anne Rambo, Special Sections Editor at rambo@nova.edu

Send manuscripts for general submissions, supervision, training, and interviews to:
Jim Duvall, Editor,
